ICT 9 & Computer Science 10

In pairs, come up with a list of at least 10 **ethical** issues that society **struggles** with in this day in age.

How many of you visit sites for fun on the Internet?

What types of sites and activities do you enjoy best?

Have you ever been asked to submit **personal information**, such as their name, age, address, hobbies, favourite colour, etc., to a website?

When and why did they have to submit it?

What information was requested?

Did you **mind** submitting this information? Why or why not?

gender

postal addresses

ages

birth dates

NAMES

hardware & software information

interests

phone numbers

email addresses

Rank the items listed in order of most used to solicited youth to least used.

Privacy Acts

Canada	United States
Personal Information Protection and Electronic Documents Act	Children's Online Privacy Protection Act Guidelines
Does not have laws that relate to children's privacy on the internet	Children's Advertising Review Unit
Canadian Association of Internet Providers (CAIP)
